

Termination/Freeze Agreement

Please consider this notice which will either terminate or freeze my membership to Calvary's FLC.

If you are interested in terminating this agreement due to an upcoming scheduled event in which you will be unable to utilize Calvary's FLC for a month or longer (short term disability, surgery, maternity leave, vacation etc.), your membership can be "frozen" until your return (as opposed to terminating your membership). Contact the FLC Director for further information at 687-4920 ex 220.

I understand that if I freeze my membership, in order to re-activate my membership to Calvary's FLC, I will have to sign the bottom "lift freeze" portion of this form.

I am interested in:

_____ Terminating Membership Reason: _____

_____ Freezing Membership Reason: _____
Return Date: _____
