

UPDATE: CORONAVIRUS (COVID-19)

Good afternoon! With further evaluation and advice we have decided to cancel the remainder of the Calvary Hoops season. With this fluid and ever-changing COVID-19 situation we want to err on the side of safety for our Hoops families. We are disappointed for the players and their families to have to make this decision, but with this unique situation we feel it is the responsible action to take at this time. Please continue to monitor our Calvary FLC website regarding our other recreational activities. We are so thankful for all our Hoops families and we look forward to playing ball again in the near future!
